

## Community Activist

### Title:

Community Activist

### Reports To:

Marketing Communications Specialist

### Job Site

Remote (laptop required)

### Time Commitment and Hours Preferred

5-15 hrs/wk

Minimum 8-month commitment preferred

### Position Description

Community Activists are influencers in the organization and support the communications team in engaging audiences through social media, blog, podcast, and other media channels. As an activist you will help develop ideas for our brand and broaden our influence in the Latin@ gender-based violence community among domestic violence advocates, survivors, youth, practitioners, and service-providers.

Practicum or internship credit can be provided in accordance with your university/college. References/ recommendations available upon request.

### Responsibilities

- Collaborate with teams on communications structured around awareness months (i.e. Human Trafficking Awareness Month, Pride, Hispanic Heritage Month)
- Translate written material from English to Spanish or vice versa, increasing our capacity for language accessibility
- Share social media posts with relevant groups, increasing our organizational reach and influence
- Create a blog post sharing about your experience

### Qualifications

- Fluent in Spanish (preferred)
- Ability to relate to people of diverse cultures, sexual orientations, income levels, ages, and abilities
- Strong communication, coordination, and writing skills
